From the President...

Many thanks to Hans Winberg for hosting our November meeting. Hans has a great looking Norton hanging in the garage well on its way to being fully restored and operational. Hans has come up with a great way to work on his bike...it is actually hanging from the garage rafters via four substantial tie down straps. This way, Hans can move the bike up and down to best reach to component he is installing.

This bike was purchased from Laretta and has been completely disassembled, restored, repaired, powder coated and polished. Hans has sent most of his Norton's aluminium parts out for polishing and they look like chrome when he get's 'em back. This bike is already a work of art...hope Hans can finish it in time to ride it to the INOA rally in Canada this summer.

Our meeting was well attended and we spent most of the time talking about electing new DVNR Officers. Tari has agreed to continue on as Treasurer...thanks Tari! Hans Winberg has agreed to take on the job of DVNR Secretary (Shokie, please send Hans the DVNR archives). Even though Hans will not be able to make every meeting because of his retail businesses, he has stepped-up and agreed to write and publish our monthly newsletter. All we need is someone to email Hans a summary of the meetings he can't attend. Hopefully, the new President will delegate this task to one of us at the beginning of each meeting.

We had a really good discussion about the newsletter, focusing on how to get more content and improve delivery. As it turns out Laretta receives the GA and FL chapter newsletter each month via email. Based upon our conversation, we will definitely be moving to email delivery of the monthly newsletter, not only to save time and postage but this would allow us to attach the newsletters from these other chapters. Tari will be modifying the membership form to highlight email addresses. If you have an email address that you refer to regularly make sure we get it at the next meeting or send me an email to me at the address below. Those that don't have email will still receive a print copy by mail but may not get all the photo's and articles Hans is planning to include.

So, all we need is a President. Frank Mohr and Bob Katz have been nominated. We will take final nominations for President at our December meeting/party and vote to elect a new DVNR President before we start the Chinese Auction. If you are interested be sure to speak up...or call me and I'll nominate you. Hope to see you all at our DVNR Holiday party at Franks. If I don't see you, happy holiday's to you and your family.

Our December Meeting/Holiday Party...

Will be at the home of Frank Mohr, 1999 Skippack Pike, Blue Bell, PA 215-661-9148. The party is this Saturday night December 16th. If you haven't made it to a DVNR party you definitely don't want to miss this one at Frank's. Frank's parties are a culinary experience and really get you into the holiday mood. As most of you know, Frank is an excellent cook and he will be providing the meat and his great soup plus a bunch of other gastronomic surprises. DVNR will be providing our favorite beverage.

Here's what you need to do. Please pick up the phone and let us know if you are coming to the party and what dessert, side dish, and eligible female you will be bringing. Last year Frank had far too many leftovers (but not enough eligible females!) We need a count so Frank can place the meat order. So, please call Frank (215-661-9148, Tari (215-724-0110) or me (Pat 215-321-4073) so we can coordinate the food and drink.

Also, be sure to bring a wrapped, low cost (\$10-\$15) motorcycle related gift for our annual "Chinese Auction". It's always a lot of fun as Norton parts, books and motorcycle memorabilia get passed around from person to person. You never know what gift your going to end up with but it's always something nice that you can use.

Directions to Franks...

Frank lives on route 73 in Blue Bell. Look for the intersection of routes 202 and 73 on a map. If you are coming via the turnpike you'll get off at the Valley Forge exit. Frank lives 1 mile west of route 202 on route 73. Frank's is the last house on the right before the light at North Wales Road.

There is overflow parking across the street from Frank's house in a new housing development. Just take a right on North Wales Road and an immediate left into the new development. The party will start at 7PM. If you get lost call Frank at 215-661-9148.
